

Grandmaster of the Jedi order over 40 years experience leading dangerous missions both local and remote across imperial and republic tech stacks. Proven record of driving excellence in light sabre technique, force use and Jedi cohesion. Adept at collaborating with cross-system Galactic leadership to shape and execute a safe prosperous Galactic Vision. Expert in Agile Use of the Force, Jedi Engineering and training best practices, team development and fostering a culture of continuous force wielding improvement.

Experience

Grandmaster Jedi (*Ahch-To - maybe*)

Ahch-To 30 50 ABY

- Grandmaster Jedi after the death of Master Yoda,
- Established and trained a new generation of Jedi to restore balance to the Force
- Developed and implemented curriculum and training programs for young Jedi initiates
- Led numerous missions to counter the resurgence of the Sith and other dark side threats
- Acted as a mediator and diplomat in various intergalactic conflicts
- Re-formed the Jedi Council and became Leader of the Jedi Order
- Sought out by numerous planet governments to come and rid them of Imperial forces left over from the wars
- Created and trained numerous defense forces in order for systems and planets to keep control of their own territories and not cede control to pirates and brigands
- Made it known that the Jedi still exist and are growing in number
- Found numerous Jedi apprentices and paired them with appropriate masters

Rebel Alliance Fighter Pilot (later New Republic) (*Tatooine*)

Tatooine 0 5 ABY

- Played crucial role in the Battle of Yavin by firing the shot that destroyed the Death Star (0 BBY)
- Led Rogue Squadron in various critical missions against the Galactic Empire
- Key strategist in the Battle of Hoth, ensuring the survival of the Rebel forces
- Instrumental in the victory at the Battle of Endor, leading to the downfall of Emperor Palpatine and Darth Vader (4 ABY)
- Bravely served in several other Rebel Alliance operations against the Empire
- Honed exceptional starfighter piloting and combat skills

Padawan - Moisture Farmer (*Lars Homestead, Tatooine*)

Tatooine 19 0 ABY

- Worked with Obi Wan and caused a lot of mayhem
- Met the smuggler Han Solo and Chewbacca, Chewbacca is nice, Han Solo is an acquired taste
- Met R2-D2 and C-3PO and rescued them, I love R2 but C-3PO can be a handful
- Started to learn the ways of the force from Obi Wan
- Developed technical skills in equipment repair and operations including Droid maintenance

Education

- Jedi – Intermediate, Compact training on Dagobah under Jedi Master Yoda – [Grand Master Yoda](#), Dagobah
- Jedi – Basic, Learned control of the Force, lightsaber skills, and Jedi code – [Master Obi Wan](#), Tatooine
- BSc. Moisture farming – [The Tatooine University](#), Tatooine

Skills

- Mastery of Lightsaber Combat: Expert in various forms of lightsaber combat, including defensive and offensive techniques
- Expert Pilot and Starfighter Tactics: Proficient in piloting a wide range of spacecraft and executing complex starfighter maneuvers.
- Advanced Force Abilities: Skilled in telekinesis, mind control, Force healing, and precognition
- Effective leader with a strong track record in planning and executing strategic missions
- Diplomacy and Conflict Resolution: Adept at negotiating peace and resolving conflicts through diplomacy
- Competent in repairing and maintaining various types of machinery and technology
- New Republic Security Clearance (Highest level)

Achievements

- Successfully led the attack that destroyed the first Death Star, earning galactic recognition.
- Played a crucial role in the redemption of Darth Vader father, Anakin Skywalker, turning him from the dark side
- Founded the New Jedi Order, ensuring the continuation and growth of Jedi traditions and teachings
- Honored by the New Republic as pivotal in the defeat of the Galactic Empire and restoration of peace
